

Tower Clock Surgery Center is a state-of-the-art outpatient ambulatory surgery center specializing in ophthalmology and eye surgeries. Our team is dedicated to providing compassionate, high-quality care in a supportive and professional environment. We are looking for a motivated Certified Nursing Assistant (CNA) to join our surgical care team.

Position Summary:

As a CNA at Tower Clock Surgery Center, you will assist patients throughout their surgical experience, supporting nurses and other clinical staff in a fast-paced but collaborative outpatient setting. This part-time role offers consistent weekly schedules and the opportunity to contribute to excellent patient care in ophthalmology.

Hours:

- 20–25 hours per week
- Daytime hours only
- Tues-Wed-Thursday

Responsibilities:

- Assist patients with daily activities, comfort, and safety before and after eye surgeries
- Support nurses and surgical staff during procedures and patient care
- Monitor and report patient conditions to the care team
- Maintain a clean, safe, and organized outpatient surgical environment
- Follow all safety, infection control, and documentation protocols

Qualifications:

- Current CNA certification
- Current BLS certification
- Previous experience in a surgical or outpatient setting preferred
- Strong communication and interpersonal skills
- Ability to work collaboratively as part of a healthcare team
- Commitment to providing compassionate, patient-centered care

Why Join Us:

- Work in a specialized ophthalmology outpatient surgery center
- Supportive, team-oriented environment
- Consistent weekly schedule with daytime hours
