Registered Nurse – Appleton

Tower Clock Surgery Center is a state-of-the-art surgery center where the area's finest physicians and nursing staff create an experience unmatched by any facility. We are professional, fast-paced, engaging and our goal is to provide exceptional quality patient care within our healthcare organization.

We are seeking a Registered Nurse to join our team and provide perioperative care to patients undergoing surgery in our ambulatory surgery center located in Appleton, WI. The ideal candidate will have experience in ophthalmology, outpatient surgery, as well as pre-operative and post-operative care. The successful candidate will be responsible for assessing patient needs, providing pre- and post-operative care, monitoring vital signs, administering medications, and providing patient education.

This is an excellent opportunity for a Registered Nurse to join a highly skilled team and make a positive impact on the lives of our patients.

Responsibilities:

- Assess, plan, implement, and evaluate patient care.
- Provide preoperative and postoperative care to patients undergoing ophthalmology surgery.
- Administer medications as prescribed by the physician.
- Assist in the preparation of the operating room for surgery.
- Monitor vital signs and document patient's condition.
- Provide patient education and discharge instructions.
- Make pre-operative and post-operative phone calls to patients.
- Assist in the maintenance of a safe environment in the ambulatory surgery center.

Job Types: Permanent, 0.80 FTE
